

Skilled, versatile and experienced DJ that specializes in music of all genres, ranging from Hip-Hop, R&B, Top 40, 80's Rock Mash-Ups, B-More Club, Soul, Funk, House, and more. Available for all your DJ needs.

DJ Swoosh is one of NJ's hardest working DJ's with a style and sound all his own. On the turntables he's cool calm and collected it's the crowds in the clubs that are hot to death when Swoosh is playing. When he discusses his business and his journey so far. Swoosh is thankful, proud of his pedigree and always looking forward.
